MM Docket No. 92-60

In the Matter of

Amendment of Section 73.202(b),
Table of Allotments,
FM Broadcast Stations.
(Yankeetown, Florida)

RM-7916

NOTICE OF PROPOSED RULE MAKING

Adopted: March 20, 1992; Released: March 31, 1992

By the Acting Chief, Allocations Branch:

Comment Date: May 22, 1992

Reply Comment Date: June 17, 1992

1. The Commission has before it the petition for rule making filed by William R. Lacy ("petitioner"), seeking the allotment of Channel 242A to Yankeetown, Florida, as that community's first local FM service. Petitioner states that he intends to apply for the channel, if allotted.¹

2. We believe the public interest would be served by proposing the allotment of Channel 242A to Yankeetown, Florida, as that community's first local FM channel. Yankeetown is an incorporated community located in Levy County, with a 1990 U.S. Census population of 635. Channel 242A can be allotted to Yankeetown in compliance with the Commission's minimum distance separation requirements without the imposition of a site restriction.²

3. Accordingly, the Commission believes it would be in the public interest to seek comments on the proposal to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to the following community:

City	Present	Channel No. Proposed
Yankeetown, Florida	--	242A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particu-

lar, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before May 22, 1992, and reply comments on or before June 17, 1992, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

(Petitioner)

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Nancy J. Walls, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

¹ Petitioner failed to include an affidavit verifying that the statements contained in its petition were accurate to the best of its knowledge. Section 1.52 of the Commission's Rules requires that the original of any document filed with the Commission by a party not represented by counsel shall be signed and verified by the party and his/her address stated. In the absence of such verification, the petition may be dismissed. Section 1.402(b) of

the Commission's Rules concerning rule making proceedings places petitioners on notice that their proposal must conform with the requirements of Section 1.52 regarding subscription and verification. Petitioner is requested to rectify this omission in his comments.
